PALMER CATHOLIC ACADEMY PRESCHOOL
“A parish preschool for your child”

Rev. Andy Blaszkowski, Pastor
Ms. Daniela DosSantos, Principal
Mrs. Fionnuala San Juan, Assistant Principal & Preschool Director
Mrs. Vivian Enrique, Admissions Administrator

Palmer Catholic Academy Preschool, the preschool ministry of Our Lady Star of the Sea Catholic Church, was established in 1992 to provide parish families with a nurturing, Christ-centered environment where young children can learn, grow, and thrive. Conveniently located on the church grounds—just two miles south of J. Turner Butler Boulevard on A1A North in Ponte Vedra Beach—offering classes for ages 6 weeks through Pre-Kindergarten. Our developmentally focused programs are designed to foster independence, encourage creativity, and support healthy social interaction.

Our preschool is certified by the Florida Department of Children and Families and accredited by both the Florida Catholic Conference and the National Council for Private School Accreditation. Our dedicated staff includes degreed and certified teachers, supported by classroom assistants who help enrich learning experiences. In addition, all teachers complete catechist certification to prepare them for guiding students through the religious curriculum

We offer classes from August through May each year, including Voluntary Prekindergarten (VPK) for eligible four-year-old children. Our graduates consistently achieve high scores on the state’s kindergarten readiness assessments.

Families are encouraged to continue their seamless Catholic education by enrolling in Palmer Catholic Academy, located approximately three miles from the preschool on Palm Valley Road. Palmer Catholic Academy received the prestigious Blue Ribbon School Award in 2005 and ranks in the top tenth percentile nationally among private elementary schools for academic excellence. Currently enrolled preschool families and parishioners of Our Lady Star of the Sea Catholic Church receive priority during the academy’s registration process.

Palmer Catholic Academy Mission Statement

Palmer Catholic Academy of Our Lady Star of the Sea Catholic Church provides a Catholic and Christ-centered educational environment that inspires all students to reach their full spiritual and academic potential and become responsible, respectful and reverent disciples of Christ.

Philosophy of Education

In the preschool classrooms of Palmer Catholic Academy, our teachers and paraprofessionals encourage the natural curiosity of each child to learn about the world around them, in light of our Catholic faith. Our staff develops the whole child, in a Catholic and Christ centered educational environment. Our students learn in a play-based environment, in which their academic and social growth is facilitated by our staff. The schedule of activities and hands-on, active learning experiences facilitate the growth of children throughout their school day. Our teachers plan a wide variety of learning experiences for the children, encouraging them to explore and problem solve in a safe, nurturing and faith-based environment.

Belief Statement

Palmer Catholic Academy Preschool of Our Lady Star of the Sea Parish recognizes and is committed to the following objectives:

- 1. We believe in providing a distinctive Christian environment that teaches Catholic values and traditions, promotes spiritual growth, and instills a lasting love for God.**
- 2. We believe in creating awareness for the Church's three-fold mission of message, community, and service.**
- 3. We believe in the importance in sharing with students, families, and the greater community a common faith in Jesus, which is sustained by the sacramental and prayer life of the church.**
- 4. We believe in providing a learning environment which incorporates stimulating, new teaching concepts within a structured and intimate classroom setting.**
- 5. We believe in instilling self-discipline and responsibility in each student.**
- 6. We believe in fostering an attitude of respect toward self, peers, and those in authority.**
- 7. We believe in encouraging the achievement and development of self-worth according to individual, God given abilities and talent.**
- 8. We believe in encouraging a living family environment within the school community where learning is a successful and enjoyable experience.**
- 9. We believe in providing a diverse curriculum to develop skills in religion, language arts, mathematics, science, social studies, physical education, technology, and foreign language.**
- 10. We believe in developing and teaching cultural enrichment through secondary language, music, art, and special events.**
